Alice,

Thanks for the review & comments. I plan to use this effort to verify a final list of counsel representatives.

There were lots of problems with this sign-in sheet. Please see my notes in the last column (K). it looks like you may have sorted something incorrectly, so that many of the first names don't match the last names anymore.

Also attached is the latest spreadsheet I have - you'll see that there are names added since the version I sent you last Friday.

Subject: Please review - Counsel sign-in sheet

Alice,

Thank you for the sign-in sheet. I have used it to form a list of counsel to have verified during the meeting. Please review to see if there are any obvious mistakes, as the names of some of the PRPs seem to have shifted from our earlier lists.

Thanks,
David
